Dear Awards Committee:

This letter is being written in recognition of Grimes & Reese Attorneys at Law. Our contact with Spencer Reese has been beneficial to Weekenders USA, Inc. for many reasons, and he has assisted us in the growth and development of our Company.

Weekenders USA, Inc., in meeting the growing needs of our Managers in the field, created a new manual to assist Managers in performing their jobs to the best of their abilities. Without the assistance of Grimes & Reese, this project would not have met the distribution deadline. Their expertise and quick response to our many inquiries made this project run efficiently, as well as kept Weekenders above-board on the many issues we addressed in the Sales Managers Manual. In being able to produce this manual in such an expeditious manner, we were able to meet the needs of a quickly growing population of our company.

In addition, Grimes & Reese has always been available to assist us with various compliance issues and are always ready to meet any challenge we present to them, including the review of our many publications, as well as numerous printed materials. This ensures that we meet the needs of our Fashion Coordinators, while at the same time, maintaining Weekenders ethical and legal integrity. Their assistance has saved us time on many occasions, and we look forward to a continuing business relationship.

Sincerely,

Rosemary Redmond
President
